## ARTISAN CLASSES AT WHIRLIGIG UNIQUE BOUTIQUES

NOVEMBER 11, 2019

We've had a very fortunate first year at the HUB on Market, Stacey Derck owner of WhirliGig said, "our sales have increased tenfold from the first month and we have so many exciting artists and vendors now. WhirliGig has expanded now to include many types of jewelry, pottery, fashion design, wood and leather products, among all the other artists that exist in the store. WhirliGig continues to seek out regional talent that offer unique handmade items to its broad base of customers. "We are always looking for talented artisans to join our select group," Derck said.
